Google Summer of Code

May 20, 2022

To Whom it may concern:

Google is pleased to let you know that Mohamed Selim has been accepted to participate in the Google Summer of Code 2022 program, which is administered from our Corporate Headquarters at 1600 Amphitheatre Parkway, Mountain View, CA 94043.

Mohamed will participate as a GSoC Contributor beginning June 13 and ending on September 5, developing open source software for INCF. Mohamed is expected to spend 350 hours working on their project. Mohamed will work from home on their project and will not be required to visit either Google or INCF's offices.

More information on Mohamed's project can be found at:
https://summerofcode.withgoogle.com/programs/2022/projects/7fVsdi7Y

The program is administered by Google, Mohamed will not be directly employed by Google during participation in Google Summer of Code.

This letter serves as official proof and verification of Mohamed's acceptance into Google Summer of Code 2022. Alternate proof cannot be provided. However, Mohamed may, subject to their mentor's approval, make adjustments to the start and end dates of the program, and their mentor can provide verification to supplement this letter.

You can learn more about the program on our website at g.co/gsoc. Should you require any further information, please do not hesitate to contact our team via email at gsoc-support@google.com.

Best,

Stephanie Taylor
Google Summer of Code Program Lead
